

# The Lord's My Loving Shepherd

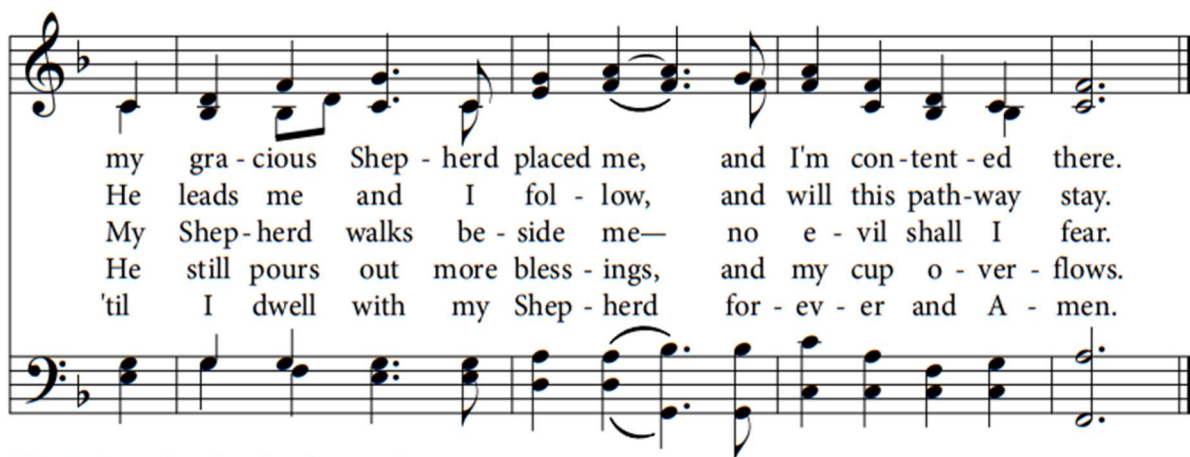

1. The Lord's my lov - ing Shep-herd: No good thing does He spare,  
2. The Lord's my guid - ing Shep-herd: He finds me when I stray.  
3. The Lord's my pres - ent Shep-herd: His shel - ter brings me cheer.  
4. The Lord's my grac - ious Shep-herd: the boun - ty He be - stows  
5. The Lord's my faith - ful Shep-herd: His love will nev - er end.

and I am nev - er lack - ing when I am in His care.  
So gent - ly He re - stores me un - to His liv - ing Way.  
What harm could e'er be - fall me, when He is al - ways near?  
en - sures that I am feast - ing e'en when be - set by foes.  
The care that now I cher - ish will ev - er - more ex - tend.

For where the pleas - ant pas-tures grow, be - side the peace - ful riv - er flow,  
The path He beck - ons me to take is right - eous, and for His Name's sake,  
Tho' I may thro' death's val - ley go, my steps are sure, for this I know:  
With heav'n - ly love my head is crowned—it is too much; yet this I've found:  
His mer - cy and His grace will be pur - su - ing al - ways af - ter me,

my gra - cious Shep - herd placed me, and I'm con - tent - ed there.  
He leads me and I fol - low, and will this path - way stay.  
My Shep - herd walks be - side me— no e - vil shall I fear.  
He still pours out more bless - ings, and my cup o - ver - flows.  
'til I dwell with my Shep - herd for - ev - er and A - men.
